Add-On
150' Reflective Tape Roll [SKU: TAPEROLL]

PRODUCT DESCRIPTION

This 4.5" bollard cover is engineered for durability, visibility, and long-term savings. Designed to fit over standard 4" steel pipe posts (with a 4.72" inner diameter and 5" outer diameter), this rugged cover eliminates the need for constant painting and maintenance.

Manufactured from high-density polyethylene (HDPE), the Post Guard bollard cover offers exceptional strength, solvent resistance, and long-term performance in any environment. Unlike paint that flakes, chips, or fades, our cover maintains its appearance for years, guaranteed to stay fade-resistant for a minimum of 5 years, the longest warranty in the industry.

Quick installation means no tools, adhesives, or downtime; just slide it on for an instant upgrade. The cover features two recessed reflective stripes for enhanced safety and visibility in parking lots, warehouses, or storefronts.

FREQUENTLY ASKED QUESTIONS

Q: What size bollard cover do I need?

Diameter Measures	Post Guard Needed
4.5 or less	4.5" Post Guard
Greater than 4.5" less than 7"	7" Post Guard
Greater than 7" Less than 8 -7/8"	8-7/8" Post Guard
Greater than 8-7/8" Less than 10-7/8"	10-7/8" Post Guard
Greater than 10-7/8" Less than 13"	13" Post Guard

Q: What is the installation method?

Post Guard bollard covers are quick and easy to install. No tools or adhesives are required. Each cover includes 2 strips of installation foam. Simply cross the foam strips over the existing post and slide on the cover!
