PRODUCT DESCRIPTION

8-7/8" Bollard Cover - Rugged, Maintenance-Free Protection

End the cycle of repainting with our durable 8-7/8" bollard cover (8.8125" inner diameter, 9.1857" outer diameter, 0.19" wall thickness). Whether you call them bollard covers, post sleeves, or post covers, this is the ultimate solution for long-term bollard protection - no more flaking, cracking, or peeling paint.

Crafted from high-density polyethylene (HDPE), this cover is engineered with superior intermolecular strength, tensile durability, and solvent resistance to perform in the harshest environments. It's built to stay vibrant, backed by a 5-year fade resistance guarantee - the longest in the industry.

Key Features:

- Long-Term Color Performance: Guaranteed to resist fading, cracking, and peeling for at least 5 years.
- Quick, Easy Installation: Slides securely over existing posts without tools, adhesives, or special equipment.
- Heavy-Duty HDPE Construction: Tougher, stronger material for maximum impact resistance and weather protection.
- Enhanced Safety: Two recessed reflective stripes boost visibility for drivers and pedestrians.
- Customizable Lengths: Standard 72" height with custom cutting available upon request.
- Flexible Lead Times: Availability may vary by color - call 866-737-8900 for current stock levels.

Perfect for parking structures, distribution centers, warehouses, and other high-traffic zones where durability, safety, and a clean appearance matter.
