PRODUCT DESCRIPTION

Upgrade your site with the polished, professional look of a stainless-steel bollard cover. Made from 316-grade brushed stainless steel, this cover provides long-lasting protection while enhancing the appearance of any facility. Perfect for storefronts, hospitals, offices, or municipal properties, it combines durability with low-maintenance performance.

• Quick and easy set screw installation

• Resists corrosion, rust, and weathering

• 316 stainless steel finish for a clean, upscale look

Dimensions

• Fits over 4.5 inch outside diameter steel bollards

• 5 inch outer diameter

• 42 inch usable interior height

• 45 inch total finished height

Installation

Each stainless steel cover includes three pre-installed set screws for fast and secure mounting. No adhesive or specialty tools are needed. Simply slide the cover over the bollard and tighten both screws with a standard hex key. The result is a flush, tamper-resistant finish in minutes.
