PRODUCT DESCRIPTION

Enhance your facility with the sleek, modern look of a brushed stainless steel bollard cover. Crafted from 316 grade brushed stainless steel, this cover offers lasting durability and a clean, professional finish. Ideal for retail centers, hospitals, government buildings, and more.

• Simple set screw installation with no adhesive required

• Corrosion and rust resistant for outdoor or indoor use

• 316 stainless steel delivers an upscale appearance

Installation

Includes three pre-installed set screws for quick and secure installation. Just slide the cover over your existing bollard and tighten the screws using a standard hex key. No tools or adhesive required. Provides a tamper-resistant, polished finish in minutes.
