PRODUCT DESCRIPTION

The FlexBollard with sign post is a heavy-duty flexible bollard system designed to withstand impact while maintaining a polished, professional look. Ideal for high-traffic areas, it combines superior Post Guard Bollard Cover durability with an innovative spring-back base to prevent damage and reduce maintenance costs.

- Extreme Impact Performance - Rebounds after contact from any direction with a rugged internal spring that absorbs force and prevents costly repairs
- Engineered for Visibility and Strength - Stands tall with a solid appearance while flexing under pressure, ideal for parking lots, signage, and ADA compliance
