## PRODUCT DESCRIPTION

Protect your facility walls from costly damage with our durable Rubber Wall Guard. Designed to absorb and deflect impact, this long-lasting guard helps prevent dings, dents, and scratches caused by vehicles, carts, and equipment. Whether you are managing a busy warehouse or a multi-level parking garage, this guard delivers dependable protection in high-traffic areas.

Engineered for convenience, it features high intensity reflective tape for increased visibility in low-light environments, making it ideal for both day and night operations. Installation is quick and simple, requiring no heavy machinery and easily managed by one person. Whether used temporarily or permanently, the Rubber Wall Guard remains a maintenance-free solution that stands up to daily wear and tear.

Perfect for a wide range of applications, including parking structures, material handling zones, manufacturing floors, and loading docks, this guard offers both performance and peace of mind in one cost-effective package.
