Metal Base for Media Bollard

PRODUCT DESCRIPTION

Perfect for marketing and messaging. Media Bollards transform ordinary bollards into mini-billboards, thanks to their specially designed flat front panel. Standing 55" high, 11" long and 8" wide, they fit standard bollards measuring 7" x 52". The flat signage area is 36" H x 10.5" W and gives you plenty of space to show your message. Made from durable low-density polyethylene plastic, Media Bollards have a minimum lead time of three weeks. Graphics are not included which gives you the flexibility to create your own message and design.
