PRODUCT DESCRIPTION

This durable barrier is designed to help avoid costly damage to doors and tracks, while offering reliable protection whether it's in the up or down position. It’s easy to install with a surface mount setup and can quickly switch between allowing or restricting access as needed. The Dock Door Guard is made from tough Schedule 40 steel and finished in a bright, powder-coated yellow. It’s built to last and easy to spot—making safety and convenience a seamless part of your space.
