PRODUCT DESCRIPTION

This tapered round concrete bollard brings together strength and style with understated confidence. Its broad base slopes gracefully upward, offering a timeless profile that blends seamlessly with both urban and landscaped environments. Made from reinforced precast concrete, it’s built to stand firm against vehicle impacts, weather, and daily wear. You can choose between threaded insert or core-mount anchoring to match installation needs. Available in a wide array of weather-resistant finishes: ranging from natural acid washes to classic Weatherstone tones. Each bollard can enhance your space while guarding entryways, storefronts, or walkways. Heavy, dependable, and elegant, it’s a durable boundary that works as hard as it looks.
