PRODUCT DESCRIPTION

Our 4 inch outside diameter U-shaped pipe guards are built to deliver heavy-duty protection in high-traffic areas where extra strength and coverage are required. Constructed from Schedule 40 steel, they provide dependable impact resistance while maintaining a clean, professional appearance.

These guards are available in a range of widths and heights to suit different site conditions, including 36 inches wide by 56 inches high, 41 inches wide by 53 inches high, 41 inches wide by 74 inches high, 43 inches wide by 54 inches high, 48 inches wide by 51 inches high, 49 inches wide by 51 inches high, and 49 inches wide by 72 inches high. The variety of sizes makes them ideal for protecting fuel dispensers, utility panels, loading docks, and other critical assets.

Choose from a durable prime painted finish or upgrade to 304 stainless steel for maximum corrosion resistance and a polished architectural look. With their robust construction and versatile sizing, these 4 inch OD U-shaped pipe guards provide long-term safety and asset protection in commercial and industrial settings.

Common sizes:

- 36"W x 56"h
- 41"W x 53"h
- 41"W x 74"h
- 43"W x 54"h
- 48"W x 51"h
- 49"W x 51"h
- 49"W x 72"h
