Finish	Prime Coated Red
Outside Diameter	4.5"
Length	72"

PRODUCT DESCRIPTION

Steel pipe bollards provide perimeter protection, traffic safety, and asset protection. Made from schedule 40 steel, the 4.5" outside diameter pipe provides a durable solution for both industrial and commercial applications.

Our steel pipe bollards come prime-coated red and are ready to install. Typical installation configurations:

- 36" below grade + 36" above grade
- 24" below grade + 48" above grade

Complete your installation by covering the steel bollard with Post Guard Bollard Covers!
