PRODUCT DESCRIPTION

4" x 36" Bolt Down Bollard - Schedule 10, Lime Green Powder Coat

Save time and enhance your property with solid protection from this surface mounted bollard. Crafted with a one-piece design and a welded-on cap, this bollard delivers reliable safety and long-lasting performance in any commercial or industrial setting. The powder coated yellow steel finish provides high visibility and superior durability.

Installation is simple with the heavy-duty base plate featuring four 0.75" holes for secure mounting. No core drilling or excavation is required. The optional base covers conceal anchor bolts for a clean and professional look. Perfect for protecting meters, circuit boxes, dock doors, and other critical equipment.
